

WHICH PAPER SHOULD I USE?

BOISE PAPER™

WOW YOUR CO-WORKERS

Bright white paper for internal presentations and other important documents requiring clean, crisp printing.

BE SEEN

Wow them at the water cooler, and everywhere else, with vibrant colors perfect for signs, events and notices.

GO RECYCLED

Show everyone that green is good, and looks good too, with recycled fiber content. Perfect for your everyday internal printing needs.

A PENNY FOR PERFECTION

It costs 15¢ more per page to use color ink and only 1¢ extra to use premium paper. If you're going to spend extra on color printing, make sure it's on the right paper so you haven't wasted your money!

RELIABLE WORKHORSE

When you need to get the job done. Consistent performance for everyday to-dos like memos and meeting agendas.

PROFESSIONAL RESULTS

Your best ideas (and nothing else) will shine through on premium, thick paper ideal for two-sided proposals and presentations.

HIGH-PROFILE AUDIENCE

Be the talk of the boardroom with full-color brochures on thick, bright paper that convey an impressive professional look and feel.
