Avery® Easy Peel® Clear & White Mailing Labels with Pop-up Edge®

Clear and white mailing labels give you complete flexibility for your mailing projects. Clear labels let the color and texture show through for a printed-on look. Bright white labels deliver sharp print quality and are perfect for addressing and organizing. Both feature Avery's patented Easy Peel® label sheets – just bend the sheet to expose the Pop-up Edge® for fast peeling. The sheet stays intact and remains flat when you're done.

Binders

Avery® Heavy Duty View Binders with One Touch EZD™ Rings

Stylish colors and a heavy-duty design make these binders a must for any office. Gap Free™, One Touch EZD™ locking rings open with ease, keep pages secure and deter gapping and misalignment. They also offer increased capacity compared to same size slant and round rings. Wider front and back panels cover dividers and sheet protectors, and nonstick material won't lift ink or toner off printed pages. Made from heavy-duty PVC free material, these binders offer a great solution whether you're organizing, storing or presenting.
