

# Rhode Island Commerce

Providence, Rhode Island

## Project Goals

We expanded as a company and required a new, state-of-the-art facility to satisfy our employees and clientele.

## Project Benefits

We renovated from a tired space into a vibrant, collaborative work environment.

## Favorite Space

Our favorite spaces are the collaborative areas throughout the office.

## What Matters

What mattered most to us for this project was staying on budget and the ability to deliver on time. W.B. Mason helped us accomplish both!

*“Emily and the W.B. Mason team were responsive and professional. They made a commitment to deliver on a tight schedule, and delivered the project early!”*
